

Invitation to the "B-IWA Happy Hour" of Monday 14th October 2013, at 3.15 p.m.

**Visit to the educational installations of
FOREM Formation Polygone de l'Eau
giving an oversight of all possible skills related to water
(Verviers)**

We are pleased to invite you to the next B-IWA Happy Hour that will be held on **Monday 14th October 2013 at 3.15 p.m.** in the offices of FOREM/Polygone de l'Eau in Verviers.

This Happy Hour will consist of a visit to the educational installations regarding all skills relating to the water cycle which have been set up in order to show and promote possible employment in our sector. All the skills regarding water production and distribution are shown, including functioning hydrants, fountains, a mini water tower, a laboratory, an individual waste water treatment installation etc...

This will be an excellent occasion to meet up with a lot of Walloon actors in the field of water and establish new contacts.

A **Masterclass** for 15 to 20 students or young professionals will be held from **2 to 3 p.m.** This formula of exclusive Masterclasses allows students and young professionals to debate with well known scientists/managers of companies or water services and ask about their career moves and/or exceptional research achievements.

This Masterclass will be given by **Prof. Jean-Luc VASEL from the University of Liege** (see enclosed CV). Students wishing to attend can return the enclosed form. B-IWA student members can attend free of charge ; non members pay € 5. Please return the enclosed participation form.

After the visit participants can meet up while drinks and sandwiches will be offered.

Participation in the HH is free of charge for B-IWA members. They can moreover invite an accompanying person who can also attend for free. Non-members pay € 15 upon arrival; a multi-visitors pass allows 5 persons to attend all HH organised this present year (info on the website or at the secretariat).

For organisational purposes please announce your presence not later than **7th October 2013**, by returning the enclosed form or via the website (www.b-iwa.be).

We will be happy to welcome you to this B-IWA HAPPY HOUR.

The Steering Committee,

Ingmar NOPENS - Patricia MERGEN - Greet DE GUELDRE - Boudewijn MEESSCHAERT
